Re: Response requested

Dear Mr. Chairman:

The Governor has received the attached undated correspondence from Councilman Mike Fitzpatrick of the City of Biloxi regarding certain issues related to gaming development on the Mississippi Gulf Coast. We are gathering information in order to respond to the Councilman and as his letter mentions the Mississippi Gaming Commission we feel it is appropriate to seek your response to the letter's content.

Feel free to e-mail your response to me at [bbynum@governor.state.ms.us](mailto:bbynum@governor.state.ms.us), or use one of the addresses listed above.

Thank you.
